Special Guest: Mark and Kelly Ellison from the Deptford Soccer Post attended the meeting to talk about their business. They brought samples of their uniforms and price sheets. They offer a variety of discounts and fundraisers that the board and players' parents could take advantage of. Besides uniforms, they carry paint, cleats, bags, balls, cones and other soccer equipment/supplies. They do not carry the trading patches. They offer on-site fitting as well as fitting done at their store. They keep a few stock sizes of the uniforms onsite so that they can do same-day rush jobs for new and/or guest players. The league's current uniforms are good thru Spring 2011. The micros will need uniforms (shirts, shorts and socks) in the Fall 2010. The committee asked to see some of their prices for the items mentioned above. They will provide them to John shortly. Then, Mark and Kelly left the meeting.
