### Logan Storm U-9 Girls

**Logan Storm vs. Cherry Hill FC**— The storm hosted a tough Cherry Hill FC on Saturday. LSC had a strong effort for both halves which made for a very exciting contest from start to finish. The scoreless first half was anchored by strong goaltending from **Ashley Burns**. The storm played a strong second half with all around consistent play from **Alexis Flocco, Hannah Fahmy, Amanda Sims, Katelyn Kane, Maddison McKinney & Mary Kate Kane**. The game was kept in check with solid second half goaltending by **Taniyah Thomas**. The entire game was highlighted by outstanding play from **Grace Cryan, Brittney Prorok & Brianna Prorok**. In addition, **Renee Hersperger** and **Chelsea McNamara** also had several nice breakaways that were only to be stopped by the fine saves of the Cherry Hill keeper. The Storm goal scorers were **Ashley Burns, Grace Cryan** and **Brianna Prorok** who each had one tally.

The final outcome did not favor the storm, but it was a true team effort. Over the past several weeks we have had some really good practices which showed on Saturday of how this team is capable of playing. Our next game is at East Greenwich on 3/31 @ 3:30.

### Logan Chargers U-9 Boys

**Logan Chargers vs. Wenonah Raptors**— What a great way to start the season. The Chargers won their opening contest by a 4–3 margin. Outstanding offensive pressure was applied by **Josh Jones, Dan Snyder, Jamison Engelhardt, Will Garrett, Matt Bozzelli** and **Christian Collier**. The goal scorers were **Nikolas Russo (3)** and **Nick Day (1)**. **Alex Doel** was superb in stopping the opponents rush by clogging the middle. Great defensive effort by **Billy Robinson, Chris Torres, Brian Gold** and **Marc Schwarzman**. Last but definitely not least, our keeper **Walt “the wall” Huder**.

## Logan Thunder U-10 Girls

**Logan Thunder vs. Hamilton Wildcats**—The Thunder was rumbling on Saturday as the team began the season with a 3 -1 win over the Hamilton Wildcats. The Thunders strong defense lead by **Colleen O'Hagan, Kara Clark, Savanna Wargo, Kristen Avellino** and **Destinee Thompson** kept the pressure in Hamilton's end while forcing multiple offside calls. At the end of the first half, the Thunder was leading 2 -0. both of the goals for the Thunder were scored by **Courtney Scharer**. The Thunder's goalie, **Thalina Rentas** had nine wonderful saves in the first half alone. At the beginning of the second half, Hamilton made it interesting with a quick goal strike which closed the gap to 2-1. **Savanna Wargo** had a wonderful scoring attempt hit the post and unfortunately bounce harmlessly away. The Thunder's offense consisting of **Hannah Mather, Laurel Merichko, Taylor Teufel** and **Emily Paolucci** stayed strong with **Hannah Mather** finally knocking one home to extend the lead to 3-1. **Cassie Segich** had 7 huge saves in the second half. The Thunder really communicated well the entire game. As a new coach, it was great to see the team work so hard together and open the season with a win.

## Logan Lions U-10 Boys

**Logan Lions vs. Glassboro Peregrines**— The boys finally got their first game of the season this past Sunday as they entertained the Glassboro Peregrines. It was a close game down to the end with the Lions finding themselves on the wrong end of a 4 -2 score. Many positives came out of this game demonstrating that the boys are learning and improving their skills. Many of the Lions are learning to stay in their position, pass the ball to their teammates and starting to focus on the proper positioning of playing defense. As a coach, I need to spend some time working on throw-ins as many of the boys struggled with this part of their game. **Carlos Hernandez** and **Ryan Rorick** turned in excellent performances in the net for the Lions. The offense was provided by **David Friedman** and **Ian Hunter** working the give and go for a couple of goals. The other members of the team playing various positions during this game were **Ryan Gervasi, David Loomis, Sam Rutcosky, Jonathan McAvoy, Zach Reihl, Eric Roscoe, Andrew Tomlinson** and **Tyler Fisher**. Missing from our first game was **Ian Norcross** and **Patrick Carpenter**, but we expect them back in the mix for our next game this upcoming Sunday.

## Logan Strikers U-11 Boys

**Logan Strikers vs. Edgewater Park AA Dragons**— The Strikers played their first game Sunday March 25th against the Edgewater Park Dragons. The Strikers started out strong dominating the field of play yet were tied 1 -1 at the half. The Strikers only had one substitution and the fatigue factor started to really show in the second half. The Strikers found themselves trailing 3 -2 with just mere minutes to play. The strikers showed great character and applied the pressure with five corner kicks in the last several minutes of play. This effort was rewarded with the Strikers getting a late goal to square the match at 3 -3. the boys played their hearts out and are looking forward to their next game this coming Sunday.

## Logan Charge U-12 Girls

**Logan Charge vs. Mantua Starz**—The Logan Charge took on the Mantua Starz and faced an uphill battle due to the sloppy field conditions. The girls came out attacking and controlled the balance of play early. A miscommunication led to a goal for Mantua, but the Charge settled down and again were swarming the Mantua net. Misfortune and great goalkeeping kept Logan off the board in the first half.

The second half began much the way as the first, with Logan all over the Mantua net. Mid-way through the second half Mantua broke away for a three on two rush and was able to slip one through our keeper. Down 2–0, the Charge upped the pressure and continued to swarm the net, unfortunately, not able to find the back of the net. While the game ended 2–0 the Charge controlled the play and with a little luck should have found the back of the net on several occasions. Up next for the Charge is a home game with Moorestown. Game time is 2:00.

## Logan Sharks U-12 Boys

**Logan sharks vs. Voorhees Typhoons**— The Logan sharks defeated the Voorhees Typhoons 4 -2 in the season opener for the Sharks. **Dilion Martell** had a goal and two assists to lead the Sharks offensive output. **Ryan Magerr** opened the scoring in quick fashion scoring the lead goal within the first couple of minutes of play. **Johnathan Lehman** added two goals to propel the Sharks to victory. **Jason Coles** and **Mark Whitaker** shared the keeper duties. The win is the eleventh in a row for the Sharks who look to continue the streak next week against a tough Palmayra Riverton club.

## Logan Lightning U-13 Girls

**Logan Lightning vs. Highland Flames**— Logan Lightning get back to their spring season after a two week lay-off playing against the Highland Flames. The Lightning started off fast dominating the game and putting pressure on the Flames. The Lightning were keeping the ball in the Flames side of the field and creating good opportunities. The Lightning finally cracked the Flames defense with a nice pass from **Rachel DiBuonaventura** that sprung **Laurie Colquitt** on a break away. Lauren simply beat the Flames goaltender by striking a low shot to the left hand corner giving the Lightning a 1 - 0 lead. The Lightning's defense stayed strong only giving up one shot on goal. **Magen Donahue** put in another shut out half. Her 2nd of the season, keeping the Lightning up 1 -0 as the first half ended. The Lightning started the 2nd half by keeping the pressure on the Flames, and keeping the flames off the ball by good team passing. The Flames were keeping the game close but thanks to some key 2nd half saves by **Colleen Riley**, the Lightning were able to hold their 1 - 0 lead. Late in the half the Lightning found a hole in the flames defense once again. **Stephanie Gross** found **Karely Chattin** alone in the middle. The flames goaltender came out to challenge the play as Karely made a nice move around the goalie to score on the empty net. Karely's 2nd goal of the season. The Lightning then held on for the final 5 minutes to gain their first shut out of the season, with a final of 2–0.

## Rules of the game – The Free Kick

When one team is penalized, the other usually gets a "free kick". There are 2 types of free kicks (direct & indirect) and a special type of Direct Free Kick called a Penalty Kick:

- **Direct Free Kick** - Where a goal may be scored by kicking the ball directly into the opponent's goal without anyone else touching it (although it still counts if someone else does touch it).
- **Indirect Free Kick** - On which a goal may be scored only if another player touches the ball before it enters the goal. Question: "How do you know if a free kick is indirect?" Answer: "The referee will raise his arm above his head and leave it up until the ball is kicked". On an indirect kick you should have one player gently tap the ball so another player standing behind the ball can kick it; or pass it to someone who shoots it. If on an Indirect Free Kick the ball is kicked into the goal without anyone else touching it (other than the kicker) the goal does not count and the other team is awarded a goal kick. However, if the ball is touched by a player on either team, including the goalkeeper, before it goes into the goal, the goal counts.

**Penalty Kick** - When a player commits a foul within his own Penalty Box, which would normally result in a Direct Free Kick, the other team is given a Penalty Kick ("PK"). On Penalty Kicks, everyone but the kicker & goalkeeper must stay out of the Penalty Box until the kicker moves the ball.

- On Direct & Indirect Free Kicks, defenders must stay away from the kicker (6 yards if U-8, 8 yards if U-10 & 10 yards for U-12 & older) until a player on the kicking team moves the ball, if they don't they can receive a yellow card.

## Field Etiquette

It's Easy to get carried away cheering on our kids from the sidelines. This is just a reminder to keep your comments positive. Please no yelling at Referees, coaches or players when they are on the field. It's distracting, rude and most importantly unsportsmanlike!
